**DND-BAC # GA-EQPT 2011-03**

1. The Department of National Defense, Government Arsenal, through the Modernization Program Act Trust Fund, intends to apply the sum of THIRTY FIVE MILLION PESOS (PhP35,000,000.00) being the Approved Budget for the Contract (ABC) to payments under the contract for the Acquisition of one (1) unit 5.56mm PACKING MACHINE. Bids received in excess of the ABC shall be automatically rejected at bid opening.
2. The DND/GA now invites bids for 5.56mm Packing Machine. Delivery of the Goods is required twelve (12) months as per Bidding Documents. Bidders should have completed, within the last five (5) years from the date of submission and receipt of bids, a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II. Instructions to Bidders.
3. Bidding will be conducted through Single Stage open competitive bidding procedures using a non-discretionary "pass/fail" criterion as specified in the Implementing Rules and Regulations (IRR) of Republic Act (RA) 9184, otherwise known as the "Government Procurement Reform Act".

Bidding is open to all interested bidders, whether local or foreign, subject to the conditions for eligibility provided in the IRR of RA 9184.

The process for the eligibility check is described in Section III. Bid Data Sheet of the Bidding Documents, ITB. Prospective bidders shall be requested to submit their bids using the forms specified in the Bidding Documents in two (2) separate sealed bid envelopes which shall be submitted simultaneously. The first shall contain the eligibility and technical component of the bid under Sec 23.1 of the IRR, and the second shall contain the financial component of the bid. The DND BAC shall then proceed with the bid evaluation in accordance with the procedures and timelines prescribed in the competitive bidding pursuant to the IRR of RA 9184 and rank the bidders from lowest to the highest in order to determine the Lowest Calculated Bid (LCB).

The bidder with the Lowest Calculated Bid (LCB) shall advance to the post-qualification stage in order to finally determine responsiveness of the bid to technical and financial requirements of the project. The contract shall then be awarded to the Lowest Calculated Responsive Bidder (LCRB) who was determined as such during the post-qualification procedure.
