DND conducts mandatory rapid testing for employees

The Department of National Defense (DND), in coordination with the Veterans Memorial Medical Center (VMMC), conducted mandatory rapid testing for its employees on 13 July 2020, in Camp Aguinaldo, Quezon City.

Aside from implementing proper health protocols in the workplace, the DND required mandatory rapid testing for its employees in light of the ongoing efforts against the spread of coronavirus disease 2019 (COVID-19). A total of 294 DND employees underwent rapid testing, in addition to 83 tests facilitated earlier in the month.

The Department shall also facilitate additional testing for its employees based on the advice of attending medical physicians/health care professionals following the results of the rapid testing. ###
